Free Our Seas Festival Sponsorship Opportunities

Our ocean loving community is celebrating Earth Day at the Free Our Seas Art Festival on Hollywood Beach. The festival highlights our interconnectedness with the ocean and marine life through creative and inspiring art in a fun and festive atmosphere. Last year's festival boasted over 4,650 visitors in attendance and 412 volunteers removed 1062 lbs. of litter from the beach.

Join us for a sunny day filled with art exhibits inspired by nature, as well as environmentally themed pieces. Food trucks, live music, children's activities, environmentally friendly marketplace, ocean conservation zone, community art installation and feedings of Captain the Rescued Sea Turtle add to the enjoyment.

Free Our Seas and Beyond is a local, non-profit 501c3, that harnesses the power of art and community to connect, inspire and create change collectively for the greater good. We host a wide variety of positive, fun events to engage and empower our South Florida community to heal and restore our oceans, waterways and marine life.
